PETITIONING THE COURT

The probation officer respectfully recommends the petition for warrant filed on March 14, 1996, be dismissed and the warrant recalled. It is further recommended that probation be terminated in this case.

Justification: Nine months after being sentenced to probation, Mr. Robles moved, his whereabouts became unknown, and a warrant was subsequently issued for his arrest. It should be noted that according to his Semi-Annual Status Report dated December 13, 1995, he completed his 130 hours of community service.

Due to the nature of his original offense and violation conduct, and this warrant being issued over 26 years ago, it is respectfully recommended that the warrant filed on March 14, 1996, be recalled and Mr. Robles be terminated from probation.
